Get ready to explore the multiple media in which one story can be told!

Basic Instructions:

Step 1: Choose a book.

Step 2: Experience it one way (ex: read the novel).

Step 3: Experience it a second way (ex: watch the movie).

Step 4: Mark down book on reading log.

Steps 2 & 3 may possibly be done simultaneously

- At the bottom of the reading log, **record each book's title, and the 2 ways you experienced it** (use recommended list, available at KPL, if you need help).
- You can also use options outside the library, such as Libby or other audio book platforms, movie streaming services, etc.
- Mix and match! You could read a novel while listening to the audio book; or read a graphic novel, then watch the movie.
- To qualify for prizes, complete **2 books 2 ways**. To enter a grand prize drawing, complete **3 books 2 ways**.
- Turn in reading log at KPL to receive prizes.
