

Want to keep track of your progress in the KPL Summer Reading Program digitally? Try Beanstack! Just follow these steps:

1. Go to ND State Library website: www.library.nd.gov
2. Click on Patrons—Programs
3. Click on Beanstack
4. Click OK to message: You are now leaving this website...
5. Scroll down to “Create an account”
6. Click on “Register an Individual or Family”
7. Answer the questions, and choose Kindred Public Library as your primary library
8. Log in to your Beanstack account with your email and password you created
9. Go to “Got a Challenge Code?” Use code kpl2026

If you already have a Beanstack account, skip to step #8.

The program/challenge in Beanstack is the same as the program on the paper reading log. Same activities, same badges, same prizes.

Beanstack for KPL Summer Reading is only available for kids (independent readers), teens, and adults. Not available for use by pre-readers.
